

## PennAccess: Kaskey Park

### Entrance Information:

1. There is a level pathway into the park from Hamilton Walk.
2. There is a pathway into the park, from the vehicle access road leading to a surface parking lot off of Guardian Drive. Note: This is not an ADA designed, nor designated approach and the initial grade from Guardian Drive, is excessive.
3. There is a second pathway, located further up the grade, using the same access road off Guardian Drive.

### Elevator Information:

- Not applicable

### Accessible Restrooms:

- Not applicable

**Building Information:**

- This is not a building.
- Most of the pathways have a wood chip surface which can become soft during some weather conditions, making passage difficult.
- See also: Department of Biology ... for a QuickTime video tour of the area, showing the pathways.
