

PennAccess: Graduate Research Wing

Entrance Information:

200 South 33rd Street . Philadelphia . PA . 19104

1. The Graduate Research Wing has been absorbed by Levine Hall and is accessible through the main entrance on Walnut Street. There is a hall-way which leads to a large lobby with elevator service to all floors. This entrance also provides access to the Moore School and the Towne Building.
2. The Chancery Walk entry opens directly into the large lobby with elevator service to all floors. There is direct access to the Towne Building, and circulative access to the Moore School.
3. Levine Hall may also be accessed through the Skirkanich Hall entry off 33rd Street.

Elevator Information:

- There is one locked, freight elevator in the Moore School Building. Call the Office of Operational Services (room 195 in the Towne Building, 215.898.5598) to make arrangements to use the elevator. This elevator goes between the basement, first, second and third floors of Moore School Building. The basement is split into different levels and some areas are not accessible.
- There is an elevator in the southeast corner of Levine Hall. This elevator goes to all floors of Levine Hall. There are level passages to Moore School Building only on the first and second floors.
- There is elevator access to all floors of Skirkanich Hall.

Accessible Restrooms:

- There are no accessible restrooms in the building. There is an accessible women's room on the second floor of the old GRW and new accessible men & women's restrooms on all floors of the new addition of Levine Hall. There is a women's room on the third floor of the Towne Building.

Building Information:

- The Graduate Research Wing is connected to Levine Hall, the Moore School Building, the Towne Building and Skirkanich Hall.
