

PennAccess: Moore School Building

Entrance Information:

200 South 33rd Street . Philadelphia . PA . 19104

1. The Moore School Building is best entered through the internal connection with the accessible main entrance of Skirkanich Hall on 33rd Street.
2. There is a ramped entrance on the north (Walnut) side of Levine Hall, which is interconnected internally with the Moore School.
3. There is a level entrance on the west (Chancellor) side of Levine Hall, which is interconnected internally with the Moore School.

Elevator Information:

- There is one locked, freight elevator in the Moore School Building. Call the Office of Operational Services (room 195 in the Towne Building, 215.898.5598) to make arrangements to use the elevator. This elevator goes between the basement, first, second and third floors of Moore School Building. The basement is split into different levels and some areas are not accessible.
- There is an elevator in the southeast corner of Levine Hall. This elevator goes to all floors of Levine Hall. There are level passages to Moore School Building only on the first and second floors.

Accessible Restrooms:

- There are no accessible restrooms in the building. There is an accessible women's room on the second floor of the old GRW and new accessible men & women's restrooms on all floors

of the new addition of Levine Hall. There is a women's room on the third floor of the Towne Building.

Building Information:

- Every entrance into the Engineering Complex is by Penn Card access only.
- The west Towne entrance is the dedicated visitor entrance with a guard on duty and open during the day. However, there is a step up to the entry, making this entrance inaccessible. If you need assistance, you must call the guard at 215-898-8115 or 215-898-7983.
- The Moore School Building is directly connected to Skirkanich Hall.
- The Moore School Building is directly connected to Levine Hall.
- The basement is accessible only by the freight elevator and only to rooms 23 and 25. Room 23 is a tiered lecture hall with accessible seating in the rear.
- The second floor classrooms are flat with tablet armchair seating and are accessible. The exception is room 216, which has steps just inside the door and is not accessible.
- Computer lab 266 (Macintosh lab) is open to all students while computer labs 109, 207 and 279 are open only to students taking Engineering classes.
