

PennAccess: Ralston House

Entrance Information:

3615 Chestnut Street . Philadelphia . PA . 19104

1. On Chestnut Street, an entry through the retaining wall is level with the sidewalk. Follow the path to the left and continue on the newly renovated west entrance.
2. The accessible entrance with ADA spec ramp is located on the west side of the building, next to the Ralston House accessible parking lot. There is an intercom that signals a security officer to open the door.

Elevator Information:

- An elevator is located in the main lobby in the center of the building. The elevator provides access to the basement and all three occupied floors.

Accessible Restrooms:

- There is one dedicated unisex ADA bathroom located in the Geriatric clinic waiting room, 1st floor east wing. There are also restrooms located on each wing of each floor, that have ADA accessible toilet enclosures.

Building Information:

- The building is 3 stories plus basement, and is owned by the Ralston Center, who occupies 10.5% of the building. The remaining 89.5% is leased by the University of Pennsylvania School of Medicine.

Parking:

- ADA accessible parking is available in the lot on the west side of the building, off Ludlow Street.
This parking lot is for clinic patients only.
